

2014-2018 Chicago Five-Year Housing Plan

Strengthening Neighborhoods—Increasing Affordability.

2016 Second Quarter
Progress Report
April-June

City of Chicago
Rahm Emanuel, Mayor

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2016 Second Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in the City's Five-Year Housing Plan, *Bouncing Back*, which covers the years 2014-18.

During the second quarter of 2016 the City approved funding for one multi-family development project and kicked off a new citywide program to help working families achieve homeownership by assisting them with down payment and closing costs.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. DPD also promotes economic development by helping existing businesses grow and attracting new industry to the city, and it coordinates all of our zoning, land use planning, sustainability and historic preservation initiatives.

Despite the passage of a stopgap budget agreement in Springfield, the lack of a long-term solution to the State's budget issues only adds to the problems already facing local governments and our community partners that provide housing services in Chicago's neighborhoods. We at DPD could not succeed in our work without the ongoing support and cooperation of these valued partners, together with elected officials, state and federal agencies and other community stakeholders. Through these efforts, we will continue to move forward in creating and preserving affordable housing for the people of Chicago.

INTRODUCTION

This document is the 2016 Second Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014-2018*.

For 2016, DPD has projected commitments of over \$250 million to assist more than 8,000 units of housing.

During the second quarter of 2016, the Department committed more than \$101 million in funds to support 4,065 units, which represents 51% of the 2014 unit goal and 40% of the 2016 resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2016, the Department of Planning and Development expects to commit almost \$205 million to support more than 5,600 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

Through the second quarter, DPD has committed over \$84 million in resources to support 3,461 units, achieving 62% of the 2016 multi-family unit goal and 41% of the resource allocation goal.

MULTI-FAMILY REHAB AND NEW CONSTRUCTION

Villages of Westhaven

On May 18 the City Council approved the \$71.3 million rehabilitation of a 200-unit public housing complex on the Near West Side. **Villages of Westhaven** consists of 21 townhome-styled buildings on a site bounded by Leavitt and Lake Streets and Seeley and Maypole Avenues in the 27th Ward. The developer, WHP Village LLC, will reserve ninety-five of the apartments for CHA tenants. Of the remaining units, fifty will be affordable to families at up to 60 percent of AMI and fifty-five will be leased at market rates.

The City will support the redevelopment with up to \$37 million in tax-exempt bonds for interim and permanent financing along with \$1.5 million in Low Income Housing Tax Credits that will generate \$19.1 million in equity. Additional funding sources will include \$7 million in Donations Tax Credit equity from the City and IHDA along with an \$18 million loan from the CHA.

Improvements will include new energy-efficient windows, furnaces, air conditioning units, appliances, insulation and roofs. Interior layouts will be redesigned to meet accessibility requirements, and exterior parking and landscaping will be upgraded. The nearby Major Adams Community Center will also be renovated by the CHA as part of the project.

Originally constructed between 1995 and 1999, Villages of Westhaven represented the first phase in the CHA's redevelopment of the former Henry Horner Homes site.

UPDATES ON PREVIOUSLY REPORTED DEVELOPMENTS

Parkside of Old Town—Phase IIB

On May 4 Mayor Emanuel joined with Ald. Walter Burnett, U.S. Rep. Danny Davis, developer Peter Holsten and local community leaders in the dedication of the latest phase in the redevelopment of the former Cabrini-Green public housing complex. The \$41 million **Parkside Phase IIB** contains a total of 106 units in a nine-story high-rise and several smaller buildings constructed at 459 W. Division Street in the 27th Ward. Part of the CHA's Plan for Transformation, the new development contains 36 units of replacement housing for former CHA residents, along with 27 affordable units and 43 market-rate apartments.

City assistance included \$27 million in tax-exempt bonds, \$10 million in Tax Increment Financing (TIF) assistance, a \$1.9 million loan, and a total of \$12.3 million in tax credit equity. The Chicago Housing Authority also provided a \$12.4 million loan using federal HOPE VI funds. Financing for the project was approved by the City Council in May 2014.

Parkside Phase IIB adds 106 mixed-income units to the nearly 500 residences—including rental apartments, condominiums and town-homes—previously completed in the multi-phase redevelopment of the Cabrini-Green site.

PROMOTION AND SUPPORT OF HOME OWNERSHIP

In 2016, the Department of Planning and Development expects to commit over \$32 million to help more than 400 households achieve or sustain homeownership. DPD initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties, and financing programs for home purchase and rehabilitation.

Through the second quarter, DPD has committed over \$12 million to support 130 units, achieving 30% of the 2016 homeownership unit goal and 38% of the resource allocation goal.

Home Buyer Assistance Program Now Accepting Applications

On June 9 the City's Home Buyer Assistance Program began accepting applications from low- and middle-income families seeking to buy homes in Chicago neighborhoods. The new program, which was announced by Mayor Emanuel on January 25, is a citywide initiative designed to help make homeownership possible for working families and individuals by providing support for down payment and closing costs.

Under the program, prospective buyers can qualify for grants of up to 7 percent of the total loan amount, based on income. Depending on loan type, home buyers may have annual incomes of up to approximately \$133,000. The grants can be applied to properties of up to four units, including single-family homes, town homes or condominiums. Approved borrowers are required to contribute the lesser of \$1,000 or 1 percent of home purchase price at the time of closing.

The program is being administered by the Chicago Infrastructure Trust, working with participating lending institutions. As of June 30, five lenders were accepting applications from home buyers: American Financial Network (Address Mortgage), Guaranteed Rate, Home Trust Mortgage, Pacor Mortgage and Wintrust Mortgage.

The Home Buyer Assistance Program is one of the new initiatives created by the City under Mayor Emanuel's Five-Year Housing Plan, which will invest \$1.3 billion between 2014 and 2018 to create or support more than 41,000 units of housing. The City will provide up to \$1 million to launch the program, which is expected to become self-sustaining over time.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2016, the Department of Planning and Development expects to commit over \$13 million to help more than 2,000 households repair, modify or improve their homes.

Through the second quarter, DPD has committed more than \$4 million in resources to support 474 units, achieving 24% of the 2016 improvement and preservation unit goal and 34% of the resource allocation goal.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Neighborhood Stabilization Program Update

Although the City no longer is using NSP grant funds to acquire additional buildings for rehab, we will continue to report on the status of all NSP properties during 2016 until the final units have been completed.

Through the end of the second quarter, a total of 879 units in 199 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 826 units in 171 properties; 879 units (199 properties) have been finished or are nearing completion. One hundred ninety-six units (141 properties) have been sold to qualified homebuyers, and 46 multi-family properties containing 635 units have been fully rented out. A list of all properties that have been assisted through NSP can be found in the Appendix.

NOTE: Beginning in 2013, we report on ARO projects when they have paid their fee-in-lieu or have filed the affordable housing covenant securing construction of the required affordable units. This does not necessarily mean these units have begun construction, but does imply that they were ready to begin construction, since the building permit cannot be released until the covenant has been recorded. Note also that totals represent all projects approved by City Council after the 2007 updates to the ARO.

NOTE: Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."
